

Lactation Educator Counselor

San Diego, CA

Lactation Educator Training Program

This program prepares health professionals and other interested individuals to become lactation educators. It furnishes the basic information necessary to promote breastfeeding and to interact in the breastfeeding situation by assisting and encouraging the breastfeeding triad of mother, baby, and support person. Topics include basic anatomy and physiology of lactation, early attachment of the baby, hospital care, support during the postpartum stage, common concerns and solutions, and appliances and apparatuses used in breastfeeding. The Lactation Educator and the Lactation Educator Counselor are the same course. This 45 hour program meets the prerequisite requirement for the ILCA accredited Lactation Consultant training program. At completion of the course students are "Certificated Lactation Educator Counselors."

For additional information please see www.breastfeedingeducation.com.

Special Instructions: A current tuberculosis test and liability insurance is required for clinicals done outside of student place of employment. Please bring a doll and baby blanket to class. A textbook is required, so please visit www.breastfeeding-education.com for details. Outside homework requirement will consist of 10-20 hours of work. The clinical rotation is approximately 8 hours. For more information, call (858) 964-1010 or visit extension.ucsd.edu/lactation.

**Now Lactation Educator is online! New courses start every quarter. Check online for new dates at extension.ucsd.edu or www.breastfeeding-education.com.*

Virginia "Gini" Baker, R.N., MPH, IBCLC, FACCE, is a practicing lactation consultant at Sharp Mary Birch Hospital for Women and the Perinatal Health Program Coordinator for UCSD Extension.
